- Java
- HTML/CSS
- C/C++
- Unix
- Microsoft Office
- JavaScript
- Python
- React

ACTIVITIES

When not at work, rock climbing, mountain biking, skiing, disc golfing, and wake boarding is how time I spend my time. As well as serving as an officer in UWM's rock climbing club, during the school year. Also, volunteering as a coach for a local mountain bike team and work on building the trails that many people ride on.
